VI. Duties and Responsibilities:

1. Acquisition Planning: *Determine needs and develop requirements document.*

a. Requesting Agency:

- i. Establish that a requirement exists.
- ii. Provide documentation to the Servicing Agency, which must be in the form of a Statement of Work (SOW), Statement of Objectives (SOO), Performance Work Statement (PWS), or a set of detailed specifications, that includes a specific, definite, and clear description of a bona fide need in the fiscal year that the funds are available for new obligations. The need must be adequately documented.
- iii. Initiate acquisition planning as soon as a need is identified and involve the Servicing Agency, as appropriate, in the planning process.

b. Servicing Agency:

- i. Assist the Requesting Agency in refining the requirements document package, including the description of key project objectives, unique project requirements, and performance expectations.
- ii. Inform the Requesting Agency the number of Full Time Equivalent (FTEs) that will be devoted to the requirement. For the current procurement, it is estimated that 1 FTE will be assigned.

VII. Approval Request:

The NITAAC Assisted Acquisition Services Office is formally requesting approval to process this assisted acquisition under the NIH GWACs. If approved, an MOA will be established to outline the minimum levels of management duty and responsibility for the _____ office and NITAAC. The terms and conditions of this agreement become effective when signed by authorized officials of both agencies and will remain effective through the end of the contracts period of performance, unless amended or terminated.
